

AI Construction Management — For Owners & Reps

Transparency from first walk to closeout—across all trades.

Why it matters

- Live dashboards for contingency, COs, and % complete.
- Standardized documentation per spec division.
- Search by room/QR for any test, scan, or photo.

Outcome	What you get
Clarity	Know what changed, why, and who approved it.
Speed	Resolve issues before they hit the schedule.
Confidence	Audit-ready records for turnover.
